Technical drawing of a rectangular structure, likely a foundation or base, showing dimensions and components. The overall width is 3 200 and the overall height is 2 200. The structure is composed of several parts:

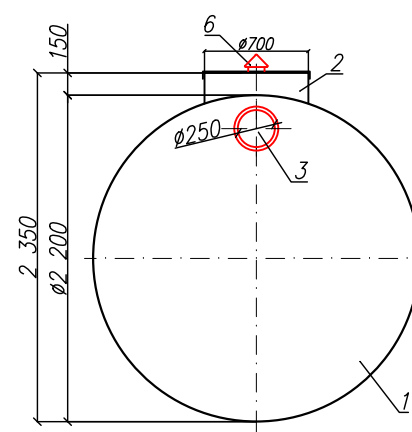

- 1**: The main rectangular base.
- 2**: Two small rectangular blocks on top of the base, each with a width of $\varnothing 700$ and a height of 150.
- 3**: A small rectangular block on the left side of the base, with a height of 1 850.
- 4**: A small rectangular block on the right side of the base, with a height of 1 720.
- 5**: A shaded rectangular area in the center of the base, with a width of 3 200 and a height of 1 720.
- 6**: A small rectangular block on top of the left side of the base, with a width of $\varnothing 700$ and a height of 150.

Dimensions and labels are indicated by lines and numbers. The overall width is 3 200 and the overall height is 2 200. The structure is composed of several parts, each labeled with a number (1, 2, 3, 4, 5, 6) and a corresponding dimension line. The dimensions are given in millimeters (mm).
